10th edition of nationwide Barometer

# Sharing experience with other countries

**Slovenia**

**Ukraine**

**What does the  
Barometer  
give us?**

# Cooperation

---

**Knowledge exchange**

---

A woman with dark hair, wearing a white lab coat and yellow safety goggles, is shown in profile. She is holding a round-bottom flask containing a bright orange liquid. The background is a soft, out-of-focus blue and white gradient. The text "Take advantage of hidden knowledge" is overlaid in white, with a horizontal line underlining the words "hidden knowledge".

**Take advantage of**  
**hidden knowledge**

A person wearing a white lab coat over a blue shirt is sitting at a wooden desk, writing on a document held by a clipboard. The person is holding a black pen in their right hand. The background is a blurred office setting with a window. The text "Qualitative information" is overlaid in white, bold font, underlined, across the middle of the image.

# Qualitative information

**Wider perspective**

---

A group of people are working in a modern office setting. They are seated at a table with laptops open in front of them. A man in the foreground is wearing a headset and looking at his laptop. Another man is typing on a laptop. A woman is visible in the background. The office has large windows and a chandelier with multiple glass shades hanging from the ceiling. The text "Expanding labour market expertise" is overlaid on the image in a large, white, sans-serif font, with a thin white line underneath it.

**Expanding labour market expertise**

**Possibility to track trends**

---

# Identification of training needs

# Think big

---

It is worth having dreams - success is possible when the opportunity comes to a prepared person
