

TYNK - Advisory Board for Finnish PROs

Producer Organisations and joining a PRO in Finland

Olli Alanen, ERP Finland 10.9.2024

What is TYNK?

TYNK, the Advisory Board of Finnish PROs, was established in 2015 by cooperation contract between Finnish producer responsibility organisations.

All producer organisations (PRO) and deposit return systems (DRS) that are permitted by PIR ELY can be part of the advisory board.

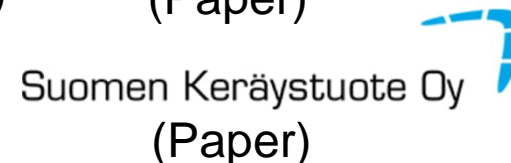

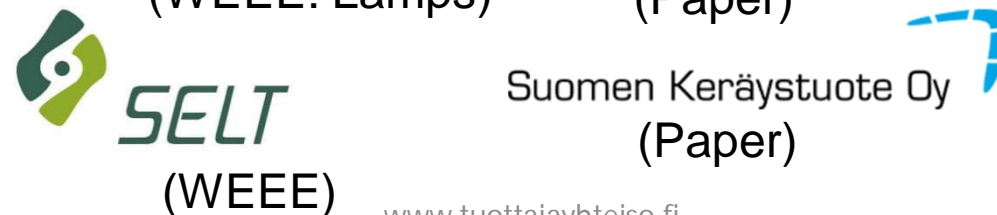

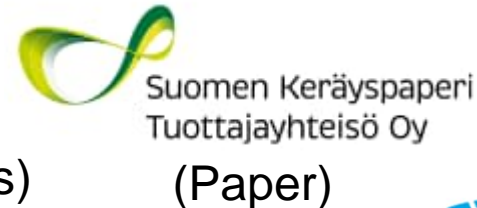

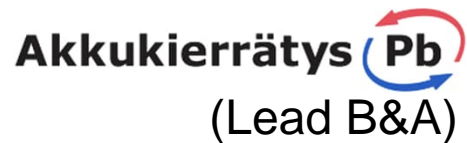

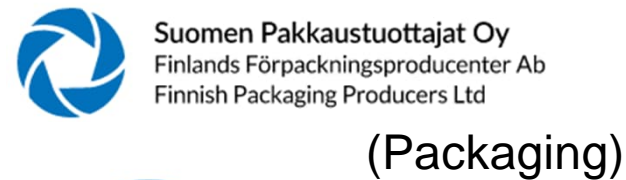

Individual producers or operator driven producer responsibility organisations cannot join the cooperation group.

Current chairman: Olli Alanen / ERP Finland

General Secretary: Maija Hirsmäki

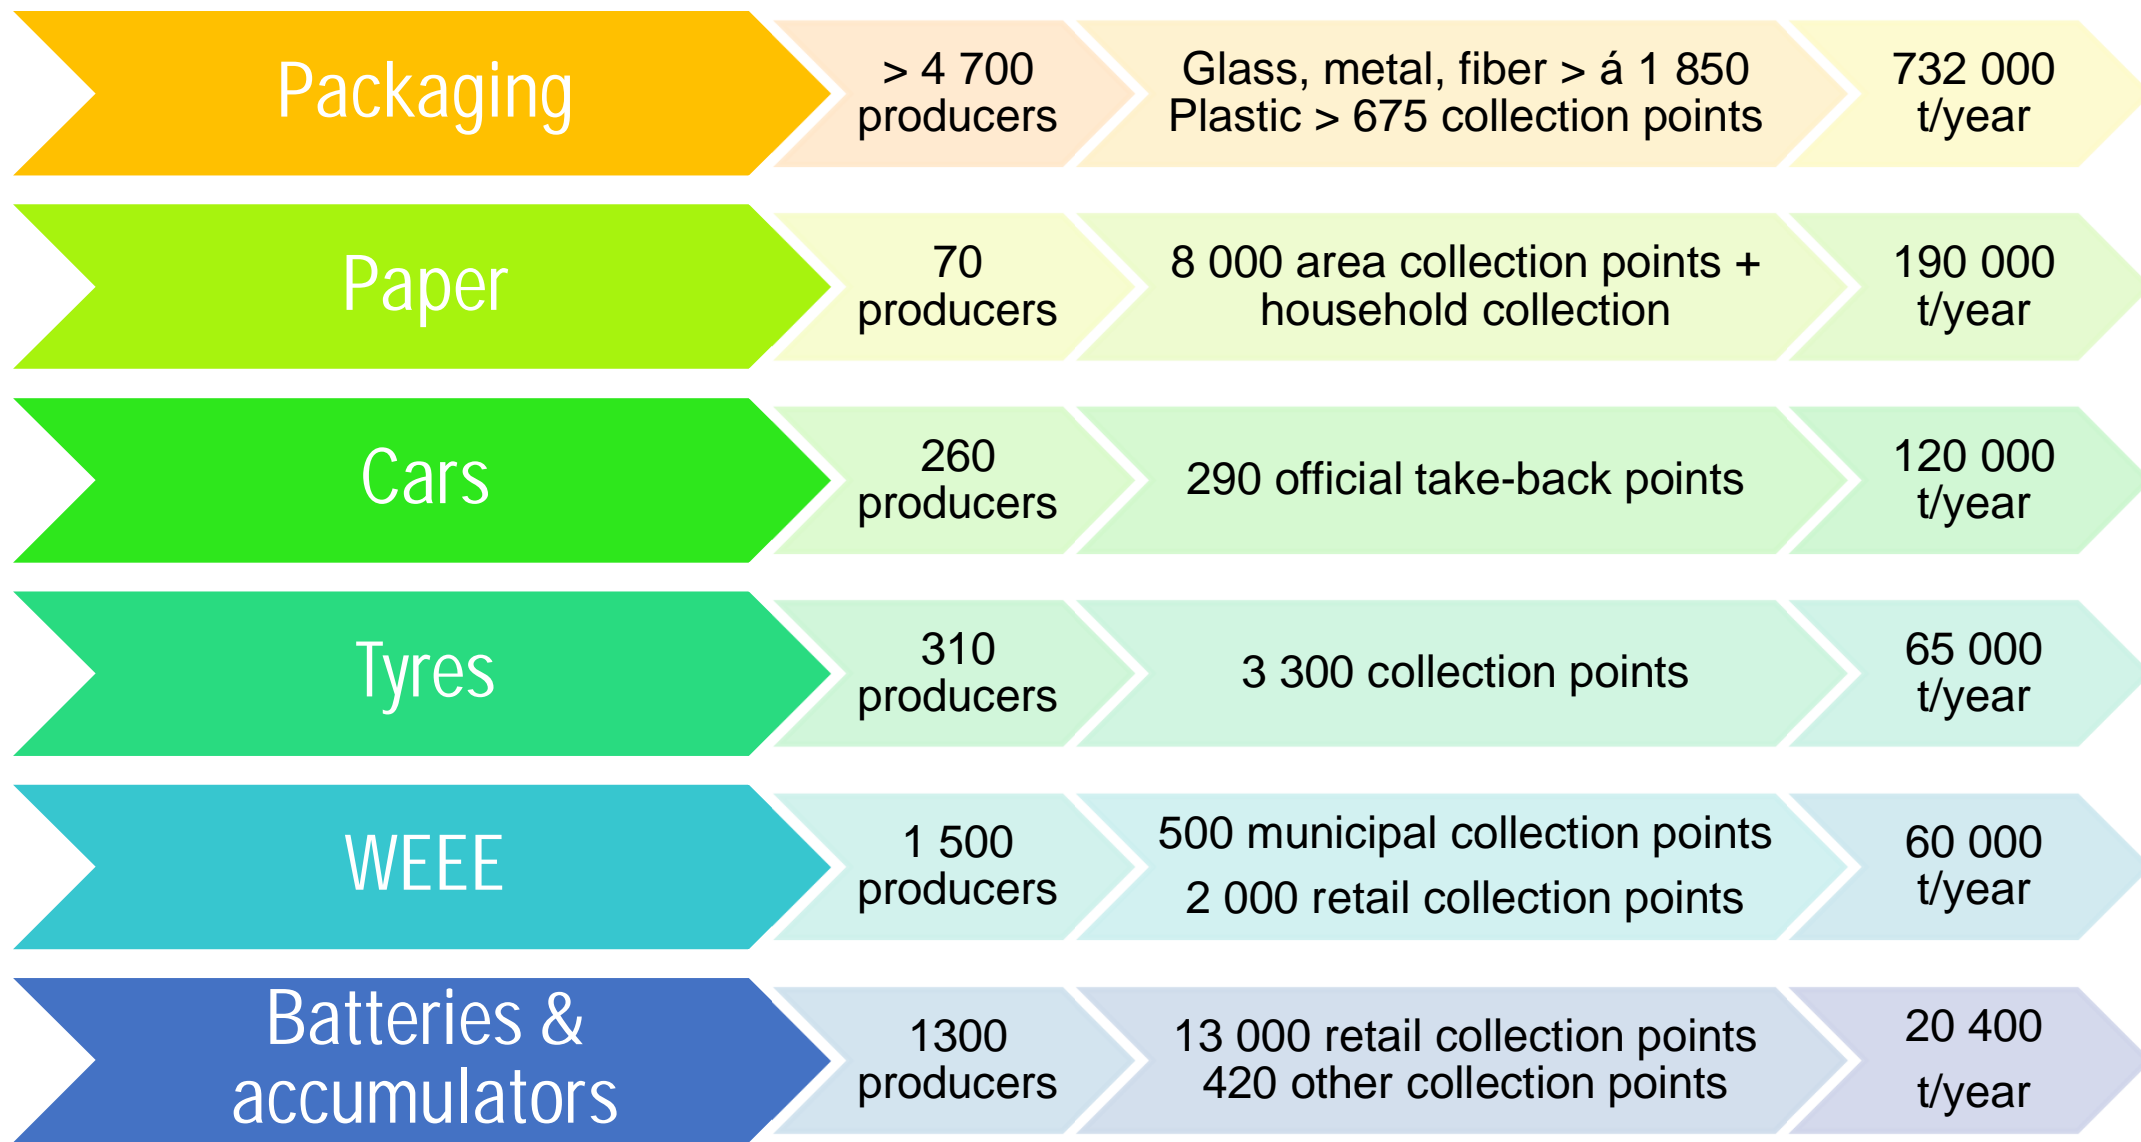

TYNK member producer organisations (13 members)

Currently not part of
TYNK:

The roles and duties of Producer organisations in Finland

- ✓ Producer register: The PROs register the producers and update their producer registers in national registry.
- ✓ Organise collection and recycling from the comprehensive national collection point network contracted with collection and recycling operators (including municipalities, retail and other network operators)
- ✓ Report volumes placed on market (POM), collected, recycled and reused to PIRELY
- ✓ Establish self controlling procedures according to self controlling plan, including accounting and controlling procedures, evaluation of fulfillment of cost responsibility, evaluation of producer cost sharing and necessary auditing procedures
- ✓ Arrange awareness creation and information campaigns to consumers
- ✓ Develop reuse and eco-modulation practices

- 

How to join PRO in Finland

- ✓ Contact all the relevant PROs connected in TYNK with centralised fashion by TYNK website: <https://www.tuottajayhteiso.fi>
- ✓ Fill the contact form (<https://www.tuottajayhteiso.fi/briefly-in-english/>) with your company information (name, company id, contact info, website) and the producer responsibility areas / waste streams valid for your business in Finland:
 - ✓ Batteries and accumulators
 - ✓ Vehicles
 - ✓ Packaging
 - ✓ Paper and paper products
 - ✓ Tyres
 - ✓ Electrical and electronic equipment
- ✓ You will be contacted by PROs with relevant information on conditions, pricing and contract template
- ✓ Each PRO is independent and has their own contracts, pricing and other terms

THANK YOU!
