

TE-SERVICES! TO MUNICIPALITIES!

BUSINESS SERVICES

1.1.2025

TE services will be transferred to municipalities as of 1 January 2025. The Uusimaa TE Office will close down on 31 December 2024, and almost all of the current business services offered by the TE Office will be transferred to municipalities. Going forward, the employment areas formed by the municipalities will offer services such as transition security and starting entrepreneur services, job advertisements and recruitment services, salary subsidies and related guidance, as well as arranging recruitment events. Please note that the employment areas' contact information (telephone numbers and email addresses) will be in use in the beginning of 2025.

- ▶ You can publish job postings on Job Market Finland as before.
- ▶ If you have questions using electronic services, please contact the nearest employment area.
