

FREE COMPANY-SPECIFIC COACHING

Strategic Growth in Change –project offers companies in Lapland free, company-specific business coaching! Each coaching session lasts a total of 4 hours and the content is tailored to your company's needs.

For whom?

The coaching is intended for small and medium-sized enterprises operating in Lapland that want to develop their expertise, renew their business, or strengthen their growth.

Priority is given to companies in the project's main target sectors: ICT, manufacturing industries, and tourism. The service is not primarily aimed at companies operating solely in local markets or at part-time/secondary businesses or entrepreneurs.

Who are the coaches?

The service is provided by experienced coaches from KPMG, Raikas Digital, Aallon Lappi and Seven-1.

You can express your preference for a coach – we will choose a suitable expert together with you.
